Please read carefully and fill in.

- I, _____ (Name of Participant) have received the orientation of the snorkeling program and I certify that I understand the program and participate in the program.
- I (the participant) understand that when participating in a snorkeling program, this program will be conducted in waters such as seas, lakes, pools, etc., and therefore have agreed to follow the instructions given by the guides and the instructors for safety.
- I understand that this program is a sport and I must be in a good health condition to participate.
- In particular, there are no ear, respiratory and circulatory disorders, and all past medical histories are explained to the guide or the instructor. If in doubt, and/or if the guide or the instructor recommends, I agree to see a doctor.
- In addition, I understand that I am not currently taking any medications and I am in good health condition to participate the program.
- I fully understand that all of the above must be followed to enjoy the program safely, and I understand that it is all my responsibility if an accident occurs due to not following instructions from the instructors or the guide, not explaining about my serious medical history, and/or due to any other serious carelessness I made.

I have read the above and sign here to confirm.
